

DATE	17 NOVEMBER
TEAM ID	PNT2022MID48329
PROJECT NAME	EARLYDETECTION OF CHRONIC KIDNEY DISEASE USING MACHINE LEARNING
MAXIMUM MARKS	2 MARKS

The screenshot displays the IBM Cloud Dashboard interface. At the top, there's a navigation bar with the IBM Cloud logo, a search bar, and links to 'Catalog', 'Manage', and 'Swetha Pandi's Account'. The main content area is titled 'Dashboard' and features a 'For you' section with several service tiles. These tiles include 'Build' (a large blue tile), 'Use Continuous Delivery' (3 min), 'Build a web app with Watson Speech to Text' (15 min), 'Get Started with Watson Studio' (2 hr), 'Build and deploy Node.js apps' (15 min), and 'Build a Lift and shift workload' (Getting started). Below these tiles, there are sections for 'User access' (Manage users), 'News' (View all, including 'IBM Cloud Satellite New Pricing' and 'IBM Cloud Data Shield Deprecation'), and 'Planned maintenance' (View all). A 'Create resource' button is visible in the top right. The bottom of the screen shows a Windows taskbar with the search bar, task icons, and system tray information including the date and time (11:21 AM, 11/17/2022).
